

To everyone involved w/ the
Andy Fredericks Training days.

Thank-you so much for
your generosity. It means
so much to not only me
and my sister, but my mom
too - I will be using the
money to begin my journey
to medical school.

Thank-you for remembering
my dad, he was so much more
than a firefighter and educator
he was a funny and warm
loving man. I miss him
everyday.

Just wanted to thank you
for being so nice.

I know he watches over all
of you and laughs when
Mac, Uncle, Joel + Kenny bust
my horns - he loved each and
everyone of you very much.
Thank-you for loving him back.

Andrew
